

UCT MATHEMATICS COMPETITION

Wednesday 11TH May 2022

I DECLARE THAT THE 2022 UCT MATHEMATICS COMPETITION WAS CONDUCTED AT

.....
(Name of school)

in compliance with the procedures below.

.....
Name and signature of Responsible Teacher

=====

Procedures for writing the Competition.

Schools must agree to run the Competition under the standard rules for writing Senior Certificate Examinations.

It is recommended that different grades write in different venues.

Participants must provide their own blank paper for rough work and calculations.

No calculators, formula sheets or any other notes are allowed.

In accordance with Covid social distancing rules, Pairs should be seated 1.5m apart and are allowed to pass written notes to each other, but not to talk.

Timeline:

3.30 pm: The packet of question papers and Answer Forms may be opened and distributed to the appropriate venues where the different grades will be writing.

4:00 pm: Participants enter venues and settle down. Question papers and Answer Forms are distributed.

4:15 pm: Announce "Start writing".

5:30 pm: Announce "Stop writing". Collect Answer Forms.

No participant may leave early. No "extra time" may be given.

At 5.30 pm all Answer Forms are collected and immediately placed, with the Attendance Register and this Declaration in the envelope/package and sealed. No inspection or alteration of any Answer Form is permitted. Only the official personalised Answer Forms will be accepted for marking.
